Hand-drawn diagram of a human figure from the front, showing the skeletal structure and internal organs. The figure is standing with arms slightly away from the body. The drawing is done in black ink on a white background. The head, neck, and torso are shaded with light gray. The arms and legs are outlined in black. The internal organs, including the heart, lungs, and stomach, are drawn in a light gray color. The figure is positioned above a rectangular box that contains a small, detailed drawing of a human figure from the front, showing the skeletal structure and internal organs. The box is drawn with black lines and has a white background. The figure inside the box is smaller than the one above it and is also drawn in black ink with light gray shading for the head, neck, and torso. The box is positioned below the main figure and is centered horizontally. The overall image is a hand-drawn diagram of a human figure from the front, showing the skeletal structure and internal organs.
